

# Where to get sand

Updated: January 3, 2017

Below are the identified distribution locations where San Luis Obispo County residents can get sand. This list will be updated as other locations become known.

**Be sure to have your own bags** before going to the distribution location as bags will not be available at most locations.

For retail locations where you can purchase sand bags: [Sandbag Information](#)

Sand will be available on a *first-come, first-served* basis and during normal business hours.
